WHAT MADDEN HAS TO SAY.

J. E. Madden, the well known eastern owner and trainer begs leave to differ from Mr. Galway, who maintains that two-year-olds are raced too early. Mr. Madden has this to say about the subject:

"I am surprised to find that Mr. Galway favors not starting two-year-olds until August. If I understand, he maintains that racing as early as May and June, or premature racing, as he calls it, is responsible for the lack of material to fill our three-year-old and aged fixed events such as the Annual

Champion, Brighton Cup, Realization, Tidal, etc. Any expression from a man of Mr. Galway's character and experience is worthy of consideration, but I must differ from him in the conclusions he has reached.

The lack of starters to the fixed events for three-year-olds and upward is not due to abuse of two-year-olds by premature racing, but to the fact that owners and breeders do not enter largely, but try to select from their lot what looks to be the best as yearlings, and in most cases these horses prove of no account as racers.

"For instance, Whorler was entered instead of Irish Lad, and the former is now a maiden where the latter is a triple stake winner. The two crack three-year-old racers of 1902—Hermis and McChesney—were not starters in the Realization and other three-year-old events because they were not eligible, and not because they had been injured by early racing in their two-year-old form.

"From the entries in the big handicaps just closed—Metropolitan, Brooklyn, Suburban and Brighton—I do not see that many horses have suffered from excessive early racing as two-year-olds. We have no track to accommodate half of them should they start.

"Just refer to the turf records of some of our great horses:

"Advance Guard started thirty-seven times as a two-year-old, beginning April 17 and ending December 27.

"McChesney started twenty-six times as a two-year-old, his first race being May 14.

"Ben Holladay started ten times as a two-year-old, his first race being May 6.

"Gold Heels started twenty times as a two-year-old, beginning May 8.

"Hamburg started sixteen times as a two-year-old, beginning June 8, and worked half a mile as early as March in 49½ seconds.

"Mr. Galway started Ethelbert thirteen times as a two-year-old. His first start was on May 18, and this did not prevent his winning the Brighton Cup as a four-year-old, when he defeated the great Imp and beat Springbok and Preakness' time six seconds.

"Imp's first start as a two-year-old was on May 22, and she ran in eleven races in that year. This did not prevent her winning twenty-one races as a four-year-old and she raced on until she was seven years old.

"Ornament began his first two-year-old form in a race on April 24, and started twelve times that year. As a three-year-old he won the Clarke Stakes, St. Louis Derby, Latonia Derby and Oakley Derby, and as a four-year-old the Brooklyn and Brighton handicaps.

"Morello started seventeen times as a two-year-old, commencing at Washington April 25. He won fourteen of these races. As a three-year-old he started fifteen times and won ten, including the Wheeler Handicap, one mile and a quarter, in 2:05.

"The greatest evil of the turf is the abuse of the two-year-old with the whip and spur. Since the introduction of the barrier there is very little delay at the post, and this saves the two-year-olds very much.

"Meltonian started nine times as a two-year-old, his first start being the third day of the Sheepshead Bay meeting in June. These races I consider will be more beneficial to him than had he not started until August.

"Mr. Galway's experience with Ethelbert and the subsequent career of this horse should have shown him the advisability of the early racing of two-year-olds."

Versifier was a strong contender for the first half, but was tiring in the last furlong. He was slightly interfered with at the start. Josette had but scant early speed and was on the outside for the entire trip and finished fast and outgamed Topsy Over in the final drive.

Went to post at 3:02. At post 4 minutes. Start good. Won easily; second the same.

The Brown Monarch showed the most speed and was at home in the going, raced Bird Poud and Ario to defeat in the first half, came away thereafter and won as he pleased. Ario was under a hard drive all of the last furlong. Circulator began slowly, closed up a big gap and outgamed Bird Poud when it came to the final drive. He appeared big and the race will likely improve him.

The Brown Monarch, show, out. Ario, show, out. H. T. Griffin entry, show, 8 to 5.

Winner—B. c, by Major Richards—Dicey (trained by J. Robertson).
Went to post at 3:32. At post 2 minutes. Start good. Won easily; second the same. Rosanco showed a lot of early speed, but Robertson took him back while rounding the far turn and cut the corner closely on the stretch turn. This move saved him several lengths and enabled him to take the lead, which he retained to the end. Censor began slowly and had a rough trip, was cut off at the half mile post and again at the far turn, and Fuller kept him on the extreme outside all of the way. Farmer Jim weakened in the last furlong, he was off well in motion and displayed a lot of early speed. Amigari tired under the weight.

Scratched—(37694) Telamon, 125; 37704 Shrine, 107.

Irving Mayor was easily the best, he displayed a lot of speed, went to the front without great effort when ready and was eased up all of the last furlong. Locochee beat the others off and was easily second best. Joe Collins was doing his best at the end to stall off Santa Teresa. The latter trailed along in the rear for the major part of the way and came with a belated rush. Irving Mayor was bid up to \$600 and bought by S. C. Hildreth, who later returned him at that price to his former owner.

Swordsmen was favored by the heavy going and seemingly showed his old-time speed, went to the front without great effort and made a show of the field. Latson was easily the best of the others. Tammany Chief saved ground at the turn into the homestretch and was under punishment at the last quarter.

Winner—B. h. by Sir Modred—School Girl (trained by C. Lind).
Went to post at 2:13. At post 3 minutes. Start good. Won easily; second driving.
Pupil was away poorly, but with clear sailing gradually improved his position and finished with a rush. Handpress, badly ridden and in the deep going throughout, forced the pace to the stretch, where he fell away. Greenock, also in the deep going, finished fast. Formero closed up a great gap and was particularly favored by the stiff track. Rameses ran a good half and was close up at the end. Cambaceres wants a fast track.

Winner—Ch. g. by St. George—Fanfare (trained by T. G. Ferguson).
Went to post at 2:42. At post 3 minutes. Start bad. Won driving; second easily.
Military Man was lucky and probably the best in the going and under a vigorous finish ran a game race. Rowena was in the deep going throughout, but her swerving at the end beat her. She is a superior class filly. Libbie Candid beat the barrier and showed the most early speed, but failed to stay. Celebrant, away badly and repeatedly crossed and interfered with, was best, inadequately ridden he closed up an immense gap. Pachuca, nearly left, made up ten lengths and ran like a stayer. Oro Rose had no chance at the start or with a bad jockey.
Scratched—Gypsy Ben, 110.

Winner—B. c. by Russell—Fancy Remnant (trained by L. P. Fitzgerald).
Went to post at 3:06. At post 1 minute. Start fair. Won easily; second driving.
Lansdown, away in front, retained his advantage throughout and was much the best. Ripper, skillfully handled and favored by the stiff going, closed up like a whirlwind in the stretch. Marineuse ran a game race, and was in the worst going throughout. Arthur Ray finished fast. Idogo received a bad ride. Educate weakened after following the winner closely for a half. Phil Archibald is out of place in short races.

Winner—Br. m. by Masetto—Queen Titania (trained by J. D. Millin).
Went to post at 3:28. At post 3 minutes. Start good. Won driving; second the same.
Princess Titania picked the best going, followed the pacemaker closely and wearing him down after a long stretch drive scored a lucky victory through Birkenruth's superior finish. Deutschland displayed amazing speed and stamina and should have won. He was particu-

larly favored by the stiff going and is a vastly improved colt. Beau Ormonde was best, raced throughout in the deep going, which he dislikes, and lost several lengths on the stretch turn, but closed up with an unexpected rush in the last furlong and was going fast-est of all at the end. Nigrette, badly ridden, was anchored in heavy mud next to the rail. Botany was outclassed.

Winner—B. g. by El Rio Rey—Fonsetta, by Fonso (trained by C. P. Fink).
Went to post at 3:54. At post 2 minutes. Start good. Won easily; second driving.
Elfonse, in rare form and skillfully handled, picked the best going on the outside and finished strongly coming away on the far turn without great urging. Rose of May, forced into the deep going in the early stages, worked a rough journey and finished fast under a bad ride. David S. went unexpectedly well and held on gamely in the stretch drive. Velma Clark, away poorly, came with a belated rush at the end. Choteau liked the slow track and made a surprisingly good showing. Larry Wilt was in the bad going throughout. Hiponax received a bad looking ride, was taken next to the rail in the deep going and was anchored in consequence and pulled up to a walk at the end. Platonius ran well for the first six furlongs.

Scratched—(37677)July Gip, 108; 37602 Kickumbob, 108; 37293 Stirling Towers, 103; 37712 Montana Peeress, 98.

Winner—Ch. h. by Azra—Anadem (trained by R. A. Smith).
Went to post at 4:22. At post 1 minute. Start good. Won easily; second driving.
Greyfield forced the pace throughout and came away fast at the end. Lode Star sulked for the first half, but moved up with a sudden rush on the far turn and appeared like the winner when straightened out, but quit in the last sixteenth. Canejo liked the cuppy track and ran a good race. Goldone was badly ridden and failed to stay. Dagmar showed a good early pace. Tufts trailed far back to the stretch, where he made up ten lengths.
Scratched—37665 Castake, 100.

GOSSIP OF THE TURF.

The Epsom Derby nominations for this year show a total of two hundred, and in this long list are names entirely unknown to fame, and therefore naturally supposed to be undergoing a private preparation. In the opinion of some of the best authorities, it is therefore believed that the far-famed blue ribbon of the turf this year will have attached more than ordinary interest.

A notable feature of the entries is that only six fillies have been named, chief of these being Baroness La Fleche. Rock Sand, the present favorite, is down for all four engagements, and so are Flotsam, Chaucer, Rebelais and Mead. Other notable colts engaged in the Derby as well as the other three races are Comptroller, Fairfield, Gilbert, Handley, Martinet, Merry Saint, Morgendale, Omar Khayyam, Persilleur, Persistence, Playbill, Post Obitt, St. Gerald, Songeraf, Uncle Reggie, Wag, William Rufus and Alceus. Acefull, the Duryea candidate, is nominated for the Derby only.

Last Tuesday being the final day owners were allowed to name two-year-olds according to the rule of The Jockey Club, there was a rush at Memphis to christen youngsters. Every two-year-old, with the exception of a half dozen belonging to the defunct Arnold company, have received titles which they will carry in competition.

Cole & Co. named their promising chestnut colt by Guido—Mazurka, Scotch Dance and the bay colt by Guido—Sound, Imboden. John Fay's sister to Evening Star, by Loyalist—Satellite II., was named Morning Star. This filly is heavily engaged at Washington Park and Harlem.

O. G. Parke's sister to Bessie Macken was named Dallas.

NOTES OF THE TURF.

J. G. Follansbee, the New York millionaire horseman, has signed Walter Robbins, the Chicago midget jockey, to ride for him this season. The salary is placed at \$9,000. Under the terms of the agreement Robbins will not join the eastern stable until after the close of the Memphis meeting, where he has agreed to ride for his first employer, James Arthur. Robbins should have an excellent chance in the east, as Mr. Follansbee owns such good horses as Roehampton and Astarita.

John Odom, who is a brother of George Odom, the jockey, will train this season, it is reported, for Philip J. Dwyer. The Dwyer string consists of twelve horses, most of them two-year-olds. All are bred fashionably and are promising. Mr. Odom formerly trained a public stable successfully.

In case Sheriff Bell doesn't go to the post in the Crescent City Derby, jockey Odom will ride Witfull. Bullman is to ride Spencer Reif instead of Rightful.

The string of horses belonging to Mrs. Julius Fleischmann of Cincinnati, Ohio, will be raced under the name of Mr. Avondale this year.

Wissendine broke down at New Orleans while at exercise on the road last Wednesday morning in the high foreleg.

Leenja has developed a quarter crack and is not likely to race again at the New Orleans meeting.

J. U. Strode has bought the horse Tros from Robert Bolich.
